

EXPLORING OUR WAY

THE CHILDREN'S MUSEUM OF NEW HAMPSHIRE'S
AUTISM PARTNERSHIP PROGRAM

**FIRST SUNDAY OF THE MONTH
10am - 12pm**

October 2, 2016 - June 4, 2017

Families **raising a child on the autism spectrum** can enjoy exclusive time at the Children's Museum in a safe, understanding environment through our monthly **Exploring Our Way** program. When the Museum opens to the public at noon, families are welcome to stay as long as they feel comfortable. Parents can network and discover new resources available to them. More information is available on the Museum's website, including MAPPS (Museum Advanced Planning Picture Stories), visual supports, museum map and visitor information. *Exploring Our Way* is a **free** program, thanks to support from **H.O.P.E. Behavioral Consulting**.
